欢迎回到“新起点（Starting Line）英语”的世界。

在这里，你将继续在听、说、玩、演、唱的过程中享受英语世界的乐趣，不知不觉地学会很多英语。

同时，你将继续享受读、写英文的乐趣。作为五年级学生，在阅读方面，希望你能读懂小短文或小故事的大意，并比较流利地朗读它；在写的方面，希望你能模仿范例或借助提示，写出几句意义连贯的话。

同时，你将继续学习“自然拼读法”。经过四年多的学习，你已经能够听懂、会说很多英语单词了，但有些单词不一定会拼写。

“自然拼读法”能帮你拼出它们的读音、更快地记住它们的写法。同时，“自然拼读法”也能帮你更快地记住全新的单词。你储备的单词越多，读、写英文的乐趣就越多。所以，好好学习这个方法吧。

最后，别忘了这个小窍门：在阅读之前，先看看短文或故事的标题和插图，大致猜测一下它的内容再去阅读，这能帮助你理解得更快、更好。在阅读过程中，如果遇到不认识的单词，可以根据插图和上下文猜猜它的意思；或者尝试用“自然拼读法”拼出它的读音，没准你就知道它的意思了。在读完之后，可以回味、总结一下，看看自己获得了什么信息，学到了什么知识或得到了什么启发。

好了，现在就让我们继续“新起点英语”之旅吧。

On Teachers' Day, children say "thank you" to their teachers. They also help to clean the teachers' offices.

Dads work very hard for their families. Children can thank their fathers on Father's Day. Some children make cards for their fathers.

Mothers are very special, too. Children can show their love to their mothers on Mother's Day. They can make breakfast for them, or help them do chores.

The Animals Who Play Music

One day, a cow leaves his home on a farm. He can play the horn. He wants to play music in the town.

On the way to the town, the cow sees a dog doing the dishes. The cow asks the dog, "Do you want to play music in the town with me?" "Sure, I'd love to. But first, I have to get my drum." "Hurry!" says the cow. "We can play music together."

The cow and the dog walk to the town. On their way, they see a cat clearing a table. The cow asks the cat, "Do you want to play music in the town with us?" "Sure, I'd love to. But first, I have to get my bells." "Hurry!" says the cow. "We can play music together."

In the town, they see some robbers going into a house. "What should we do?" they ask. The dog says, "I exercise every day, so I am strong. I should catch the robbers." The cat says, "I drink milk every day, so I am strong. I should catch the robbers."

The cow says, "I have an idea! We should frighten the robbers away. We are going to give a concert. I am going to play my horn. Dog, you are going to play your drum. Cat, you are going to play your bells."

The three friends start to play music. They get louder and louder. Everyone in the town comes to the concert. The robbers hear the music and the people. They're frightened. They quickly run away from the town.

The Ugly Duckling

Once there was a mother duck. She was sitting on seven little eggs. One day, the eggs started to open. One by one, six little yellow ducklings came out of the eggs.

There was still one egg left. The mother duck sat on that egg again. Two days later, out came a duckling. But this duckling wasn't yellow. It was grey, and it had a long, thin neck.

The other ducklings didn't like the grey duckling. They didn't want to play with him. They said he was ugly. The little ugly duckling was sad.

Summer came. The ducklings all grew bigger, and the ugly duckling was the biggest. One day they went to a farm. A chicken bit him, and the farmer kicked him. The ugly duckling felt terrible.

The ugly duckling ran away. He went to the tall grass by the lake to live by himself. He felt lonely every day.

Autumn came. The ugly duckling got bigger and bigger. He swam by himself every day, so he got stronger, too.

Then winter came. It was very cold, and there was ice on the lake. The ugly duckling had no one to keep him warm. He felt very cold.

Finally, spring came. One day, a little girl came to the lake with her mother. "Look at the swan," she said, "It's beautiful!" The ugly duckling looked at himself in the water. He wasn't a duckling. He was a swan, a white swan with a long neck. He wasn't ugly. He was beautiful!

A Special Trip

In high school, Terry Fox was a popular and hardworking student. He loved sports. He played on the school basketball team.

When he was 18, Terry got cancer. The doctors had to take off his leg. Terry never gave up. He learned to walk and run with his new "leg". Terry saw so many people sick with cancer in the hospital. He wanted to run across Canada to get money for cancer research.

On April 12th, 1980, Terry started a special trip across Canada. Every day he ran about 42 kilometres. He ran on rainy days, windy days and hot sunny days. He ran through small villages and big cities. Terry ran for 143 days. It wasn't easy, but Terry kept running.

On September 1st, 1980, Terry felt very sick. His doctors said that he had to stop his trip. Terry was very sad. He wanted to keep running. The people of Canada were very sad, too. They gave more and more money for cancer research. They hoped Terry would get better and would start to run again. Sadly, Terry died on June 28th, 1981. He was 22 years old.

Canadians did not forget Terry. Every September, in many towns and cities in Canada, there is the Terry Fox Run. Hundreds of thousands of Canadians, young and old, run for Terry. They give money to find a cure for cancer. Since 1981, they have given 300 million dollars.

The people of Canada were very proud of Terry. They gave him Canada's highest award. He was the youngest person ever to win this award. In 1999, Canadians named him Canada's greatest hero. Now in Canada, you can see Terry's statue everywhere.

and walked in the park.
That's what I did those days.

What did you do last weekend?
On Saturday and Sunday,
I climbed a hill
and rowed a boat.
That's what I did those days.

Unit 5

Fun Time, C

Where did you go this holiday?
Was it to Beijing or to Harbin?
I went to Sanya, and I had fun.

Here are the things I did.
I swam in the sea,
I saw many fish,
I bought many gifts,
So I felt good.
I sat on the beach,
I played on the sand,
I ate delicious food,
So I had fun.

Unit 6

Fun Time, C

This is my grandpa.
He is old,
But he was young like you.
He learned to walk when he was one
and speak when he was two.
He went to school when he was six
and learned to swim at three.
Now my grandpa's sixty-four,
And now he teaches me.
